PROFESSIONAL EXPERIENCES

• Internship – Website development

Kevin Cluzel, Metz - France - 06.2023 / 08.2023

Website development for the jiu-jitsu club 'State Of Flow Jiu-jitsu & self defense' led by Kevin Cluzel - https://sof.conciergerie.dev

As an intern, I took charge of the development of the website supervised by my tutor.
My main role was to develop different pages for users and administrators, with an emphasis on the hierarchical organization of logins and the creation of a complete CRUD system allowing the uploading of videos by members.

Technologies used:
• Back-end: Symfony framework, ensuring efficient data management and functionalities.
• Front-end: HTML Twig and CSS Tailwind, ensuring a smooth and attractive user experience.

• Internship – Website development

Darul Aman Restaurant, Metz - France - 11.2022 / 12.2022

WordPress Website development and SEO optimization.
Project for the restaurant 'Darul Aman' - https://darulaman.fr

I was responsible for the complete design and development of the website.
My main role was to create a dynamic online presence for the restaurant using the WordPress platform.

Key Accomplishments:
• Website design: creation of an attractive and informative website that reflects the restaurant's identity.
• SEO optimization: implementation of advanced SEO techniques to improve the restaurant's online visibility.

ACADEMIC EDUCATION
